

*Vitamin Printing Production
for Your Business*

DEAR CUSTOMERS, COLLEAGUES AND FRIENDS!

You are holding a product catalog of ABRIS PRINT integrated solution printing house. It will help you easily navigate in the range of the printed and image-building products we offer for your business.

We will provide prepress or develop a unique design for you. All kinds of printing are at your service:

- **Offset printing**
- **Industrial digital printing**
- **Screen printing**

For the permanent highest quality of your printed products we use only the best consumable materials manufactured by the leaders of the European market. We perform all the work with the equipment made by the leading companies of the world. Each stage of manufacture of your products is controlled by our specialists.

This year our printing house turned eight. I am very proud of the fact that during this period we managed to create a sustainable and competitive printing house.

ABRIS PRINT is a brand based primarily on the professionalism of its team, the quality of work performed and the trust of our partners. We know how important the production deadlines and the quality of our products are for our customers.

I sincerely hope that you will duly appreciate our work and become our regular customer!

ABRIS PRINT – VITAMIN PRINTING PRODUCTION FOR YOUR BUSINESS!

*Yours sincerely,
Business Development Director
Sergei Vodolianov*

FIVE FACTS ABOUT ABRIS PRINT INTEGRATED SOLUTION PRINTING HOUSE

Eight years on the market

During eight years of working in printing business we have gained the trust of more than one thousand customers. They include representatives of small and medium-sized businesses, as well as leaders in their own industries.

Printing House Certificate series ДК No. 4383

Winner of the contest ADVERTISING CROWNS 2013 in the category PRINT SHOW

In-house production facilities

The technical basis of ABRIS PRINT comprises a fleet of modern printing equipment. Production facilities cover an area of 1000 sq. m and consist of more than 30 machines produced by leading manufacturers of the world.

For the convenience of our customers, our production operates according to the 24/7 schedule.

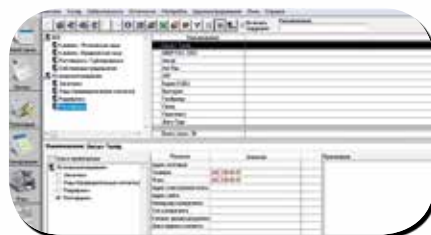

99% of work is carried out using our own resources

Every month we execute more than a thousand projects of different complexity: from printing business cards to developing an individual design for exclusive book editions. 46 specialists work in our printing house on a permanent basis.

ERP-system

EMA-system PrintEffect has been introduced in ABRIS PRINT integrated solution printing house for the purpose of optimal control over the enterprise resources. ERP-system functions allow us to calculate the cost of your order quickly and, most importantly, accurately and offer you the best solution for the designated task.

Own car fleet

We deliver finished products to your office using our own car fleet. Our vehicles are equipped with GPS-navigation system. You can be sure that the products you ordered will arrive on time.
